

Third Place Fifth Grade

Memorial Day Project

By: Justin Seto 5-208

For our nation,
The soldiers work day and night,
Keeping harm away from this beautiful paradise.

Because all the soldiers who fought so hard and bold,
Our nation will grow,
Safe from its foes.

Our nation is not in ruins,
Because of brave souls,
Who fought for this nation.

All those people,
Who defended so boldly,
This nation gets preserved one step at a time.

Because of their efforts,
The people are alive,
All should be thankful,

For all they have done.

Memories of lost ones stretch long,
But they are not gone,
Their memories live on,
In our wishes for at last peace to dawn.
